CHAIRMAN OF THE BOARD

Mr. Walter F. Bochenek  
A/Director  
Allante-XLR Chapter of the  
Cadillac La Salle CLUB

Cambiano, May 16, 2019

*Dear Mr. Bochenek,*

I could not join your visit of May 10 to our office but I would like you to know, and possibly to share with the Allanté Club members, how important the project was for our Company and for the professional education of my brother Andrea and I.

The Allanté reminds me the first years of my career and it is always a beautiful story to remember.

Also let me thank you for your nice gift and for your kind words of appreciation for my vision.

Best regards.
